School Foundation

*Enhancing student success*

## Send a little LOVE to a teacher this February

Send a little love to a teacher and support the School Foundation! For a donation of \$20, the School Foundation will deliver a sweet truffle treat along with a note on February 14th. Please write a note below telling an educator the difference he or she has made for you, your child or our community and the School Foundation will take care of the rest!

The Grinnell-Newburg School Foundation supports teachers in the classroom every day. Since 2006, the Foundation has sponsored nearly \$300,000 in mini-grant opportunities that benefit all students in our District. Honor a favorite teacher and support an organization that is enhancing student success today!

Please send donations and love notes by February 2nd to: Grinnell-Newburg School Foundation P.O. Box 344, Grinnell, IA 50112. You may also donate and submit your note online at [GrinnellSF.org](http://GrinnellSF.org) Or deliver it to 1510 Penrose at the Foundation Offices at Ahrens Park

Thank You!
